In the photo, the band Missy Garnett & The Two Dollar Pistols are shown. The lead singer is Missy Gawthorp who grew up in Mattoon. As she grew up, she never lost her love for performing. This evolved into singing at county fairs in the area and eventually to a job at WMCI Radio in Mattoon, as a promotions director and on-air personality. By working for WMCI from 2000 to 2004, Gawthorp said she met many celebrities, which fueled her to want to succeed in the music world even more than she wanted in the past. 'We have been busier then we have ever been,' Gawthorp said.
